Dear Whistler Business Owner,

The countdown is on to the Invictus Games Vancouver Whistler 2025, an international sporting event for wounded, injured, and sick service members and Veterans. The Games use the power of sport to inspire recovery, support rehabilitation and generate a wider understanding of, and respect for, all those who serve or have served their country.

For the first time, the Invictus Games will include six winter adaptive sports, including Alpine Skiing & Snowboarding, Nordic & Biathlon and Skeleton which will be taking place up Whistler from February 10 - 12, 2025, except for Wheelchair Curling which will take place at Hillcrest Recreation Centre in Vancouver).
